

## SDMS INTEGRATION WITH DIGI LOCKER FOR PMKVY 2.0

National Skill Development Corporation would like to inform all Skill Development Management System (SDMS) users that **SDMS is now successfully integrated with DigiLocker** and all PMKVY 2.0 certified candidates can download their skill certificates directly from their respective DigiLockers.

**DigiLocker** is a platform for issuance and verification of documents and certificates in a digital way, thus eliminating the use of physical documents. Indian citizens who sign up for a DigiLocker account get a dedicated cloud storage space that is linked to their Aadhaar (UIDAI) number. Organizations that are registered with DigitalLocker can push electronic copies of documents and certificates (e.g. driving license, Voter ID, School certificates) directly into citizens lockers.

For More Information visit: <https://digilocker.gov.in/about.php>

The image shows a screenshot of the DigiLocker website. The banner features a green background with a pattern of small white icons. On the left, there are logos for NSDC Corporation, IIT, and Skill India. In the center, there are two computer monitors displaying digital certificates. On the right, the text reads: "Ministry of Skill Development And Entrepreneurship", "> NSDC Skill Certificate", "> ITI (National Trade) Certificate", and "Now available in DigiLocker". At the bottom, it says "Ministry of Skill Development And Entrepreneurship partners with DigiLocker" and "SIGN UP FOR DIGILOCKER". The top of the page shows the DigiLocker logo and navigation buttons for "Sign in", "Sign Up", and "Partners".
